The International Congress of IDEALS will take place this year in Leuven in September 8-10, 2022. The congresses of 2020 and 2021 were cancelled because of Corona and we hope that that will not be the case this year.

To avoid problems we advise all participants to take out a travel insurance that will reimburse the cost of your flight, accommodation and congress expenses in case of cancellation. In some hotels you have the possibility to cancel the hotel until 1 or 2 weeks before the start of the congress. Other hotels offer a kind of cancel insurance (50-60 Euro extra)
